

The world around us may have changed

The experience has not.

WELCOME!

Throughout our rich 48 year history, The Abbey has earned a national reputation as an iconic and classic lakeside retreat and the home port for hundreds of boats.

We are proud to now host the 36th ACBS International Meeting & Boat Show's members and visitors who have come to showcase and appreciate these unique and vintage watercraft.

Enjoy the show, our great food & beverage and our hospitality!
